The road will not close until 6:30 a.m. Please stay on the grass until the road is closed and you are instructed to line up for the start. Start time is 6:45.

To alleviate some congestion at the start, we moved the start line further down the road. This will result in the run course being a little shorter than 4 miles

Strollers and wheelchairs are allowed. **You must go over the pedestrian overpass at Kalanianaʻole & Lunalilo Home Road. Failing to do so will result in a DQ.** The roads must be reopened at 8:30 a.m. Anyone on the course after 8:30 a.m. must move to the sidewalk and follow all pedestrian rules of the road.

WATER & AID: There is one water station on the course just after the entrance to the Koko Head Shooting Complex near mile 2. There is also medical aid at this station.
